## SURFACE TREATMENT OF TOYS AND CHILDREN'S FURNITURE

According to the information received from our raw material suppliers, the product **LIITU blackboard paint**, manufactured and marketed by Tikkurila Oyj, fulfills the requirements of

- EU Directive 2009/48/EC Annex II "Particular Safety Requirements" part III "Chemical Properties"
- Standard EN 71-3:2013 + A2:2017 "Safety of toys. Migration of certain elements."

The complete conformity assessment according to EU Directive 2009/48/EC remains the obligation of the manufacturer of toys alone.
